

**IMPACT MARTIAL ARTS PRESENTS
FAMILY FUN FAIR & VENDOR EVENT
September 15, 2018
Noon – 4:00pm**

This event highlights various local businesses and home party vendors in a mini product fair with an “open house” style venue. Supporting local small businesses benefits our entire community. Please be sure to share your event online (your website and social media) and with all your customers, families, and friends. We will also be having food and activities outside to draw drive-by traffic into the mall.
